

2021 CSA farm food box program

✓ What is a CSA program?

CSA stands for Community Supported Agriculture and it is a system by which consumers ensure direct supply from farmers.

These programs require a commitment in form of payment for the products ahead of delivery which not only inform the farmer of the production level required but also provide the farmer with much needed capital early on in the season.

✓ How does it work?

1. You pick a size of food box that you would like to get from our farm on a weekly basis
2. You fill up a registration form with your information and arrange for payment to be sent to us.
3. When the program starts, you will be selecting what goes in your box from our line up of seasonal vegetables, meats, eggs, canned foods, baked goods, and many other pantry items.
4. Pick up day is Saturday morning between 10 and noon.
